

At Discovery, our vision for women is that we'd be:

- Captivated by the love of Christ,
- Committed to prayer and the Word of God,
- Connected by deep and purposeful relationships with one another.

Whether you are married, single, parenting, working, college-aged, or retired, we encourage you to consider investing in authentic relationships within this community. Below are some opportunities to connect right now:

"Behold Your God" Study: Join a group of women in a 12-week study on the attributes of God. The course will meet on **Tuesday evenings, 7-9pm beginning February 21**, and will be taught by Jackie Cunliffe in her home. *"To consistently lean on God alone, we must know Him. To know Him, we must know what He is like."* As A.W. Tozer said, *"An unknown God can neither be trusted nor worshiped."* **If you want to know what God is really like and understand the practical application of that knowledge to daily living, then this course is for you.** We ask that every woman who joins the class will do her homework and commit to coming to class every week. We also have a time of sharing and praying together. **For further information and to order a book, call Jackie at 530-297-7711.**
